

## *From The Executive's Desk*

**Kristie Brunick**

I am excited to introduce myself as the new Executive Vice President.

I come to the position with a strong background in association management. Previously I served as the Membership Director of the Home Builders Association of the Sioux Empire (HBASE) for 13 years. During that time, I gained experience in member services, budget management, member communication and event planning.

After serving at the HBASE, I further developed my skills in event planning, volunteer management, and leadership at LifeLight Communications, where I was instrumental in executing the largest free Christian music festival in the country.

Recently, I refined my organizational skills and communication talents while serving as Executive Assistant at Raven Industries.

I live in Sioux Falls with my husband Kyle and our three children; Jackson, Lauren and Sydney. Most of my nights and weekends are filled with school, church, sporting or musical activities. I love spending time with family and friends and I enjoy camping, walking, reading, and music.

I grew up on a family farm near Epiphany, SD, the oldest of three kids. I attended Hanson High School and graduated from Northwestern College in Orange City with a Bachelors degree in Business Administration.

I am excited to accept this position and I look forward to the new opportunities ahead! □
